2<sup>nd</sup> June 2006

Dear Sir,

**Notaries – Free Movement**

Thank you again for your help. I need a response from Mr Clement, the French Garde des Sceaux, and from Mr McCreevy on the question of legal aid for suing France and Spain. I enclose a copy of a reply you obtained from Mr Clement, when he said that he would get a reply as soon as possible.

That was on the 5<sup>th</sup> April and I imagine you have not received a reply. I would like to chase him up and I have asked some supplementary questions in my follow up letter.

I enclose a further letter to Mr Clement, and one to Mr McCreevy.

Thanks for your help. It is the difference between getting a result and getting only silence and evasion.

Yours faithfully,

Mark Kober-Smith
